

Next-Level Touchscreen Network Scanning

Features:

- 8" high-resolution touchscreen display
- Network-standalone or USB-to-PC operation
- Speeds up to 65 ppm / 130 ipm at 200 and 300 dpi
- Embedded applications – scan to email, network, cloud, USB flash drive
- USB 3.1 Gen 1, WiFi 802.11 b/g/n, Gigabit Ethernet
- Range of standard network protocols
- 10,000-sheet daily duty cycle
- Visioneer VAST Network® technology with TWAIN Direct®

TOUCHSCREEN EXPERIENCE

Bring efficient, powerful touchscreen document scanning technology to the workplace with the Xerox® N60w Pro Scanner. With an 8-inch, feature-rich touchscreen display and network standalone scanning capability, the Xerox® N60w Pro delivers the user experience and flexibility required in today's modern office. Walk up and scan to popular Cloud destinations (including Google Drive and OneDrive), scan to email, network folders, or a USB flash drive directly from the Xerox® N60w Pro interface.

PROVEN TECHNOLOGY

Both network standalone and direct-to-PC configuration options are possible with the Xerox® N60w Pro. Gigabit Ethernet and WiFi 802.11 b/g/n provide network standalone connectivity, supporting true walk-up scanning capability without the need for a PC. Traditional scanning to a tethered PC is supported by the USB 3.1 interface and brings with it access to Visioneer's Intelligent Software Platform. Visioneer OneTouch® allows for one-click scanning presets, while Visioneer Capture SE makes batch scanning, editing, barcode reading and data extraction not only possible, but easy to implement. With Visioneer Organizer AI, automated classification of common files

and tagging takes the time and frustration out of document search. And, with a full-version ABBYY® FineReader® PDF, easily create searchable PDFs and take advantage of comprehensive multilingual Optical Character Recognition (OCR), deep PDF editing, file conversion and security.

The N60w Pro Scanner is built on an award-winning reverse-roller, dual-motor paper path to eliminate paper jams - essential in supporting the 65-page-per-minute scan speed. A 100-sheet automatic document feeder and 10,000-sheet daily duty cycle underscores the robust hardware platform.

'THIN' SCANNING

Thanks to Visioneer VAST Network® technology, users can connect the Xerox N60w Pro Scanner directly to compatible applications* via a highly secure web interface, eliminating the need to download drivers or scanning applications to a local PC or client. Built on an extended implementation of TWAIN Direct®, an open-source, driverless standard, the Xerox N60w Pro "thin" scanner provides organizations an effortless installation, remote management, superior uptime and fast image processing. For more information, visit www.xeroxscanners.com/thin_scanning.

SOLID SECURITY

Network standalone document scanning in the workplace must deliver the security needed to ensure no risk to the environment. The Xerox® N60w Pro addresses those needs, with multiple communication protocols, including TCP/IP, SMTP, FTP, FTPS, SFTP, SMB, DHCP, and DNS. Email is handled via SMTP and supports LDAP address books. On-screen and web-based administrator applications provide thorough configuration control - including the option to set up multiple user accounts and set application access on the scanner.

The Xerox® N60w Pro Scanner. Touchscreen network scanning, built for work.

* Must support TWAIN Direct® protocol

VISIONEER INTELLIGENT SOFTWARE PLATFORM FOR WINDOWS

OneTouch

An easy-to-use scanner workflow application that performs all steps in a complex scanning operation at the touch of a button.

Acuity

Enables you to improve the visual clarity of scans. Acuity uses over 25 advanced algorithms to intelligently correct documents.

Capture SE

Flexible, powerful batch scanning solution that can split scans into separate files, create indexes, read barcodes and extract data.

DriverPLUS

Provides an impressive array of settings to enable precise scan customization with a simple-to-use interface and helpful tool tips.

Organizer AI

Manages your files with fast search, conversion, file analysis and cleanup, tagging, PDF editor and automated file classification.

ADDITIONAL SOFTWARE

ABBYY® Software: ABBYY FineReader PDF & OCR Software

Scanner Drivers for Windows: TWAIN™, WIA

Xerox® N60w Pro Scanner Product Specifications

Manufacturer Part Number	XN60wPro-U
Scan Speed	Up to 65 ppm / 130 ipm: @ 200 or 300 dpi (B&W, grayscale, or color)
Scan Method	Duplex Automatic Document Feeder
Image Sensor	Dual CIS (front & back)
Light Source	LED instant on
Optical Resolution	600 dpi
Supported Resolutions	75, 100, 150, 200, 300, 400, 500, 600, 1200 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Background	Gray
Scanning Media Supported	Paper, plastic ID cards, photos
Detection	Ultrasonic Double feed Detection
Interface	USB 3.1 Gen.1, WiFi 802.11 b/g/n, Gigabit Ethernet
Network Standalone-Mode Destinations	Network folder/share, FTP, PC, email, GoogleDrive, OneDrive, SharePointOnline, Evernote, USB flash drive
Supported Protocols	HTTP, TCP/IP, SMTP, FTP, FTPS, SFTP, SMB, DHCP, DNS, SMTP, LDAP, WEP 64/128, WPS/WPS2, TKIP
ADF Minimum Document Size	2" x 2" (51 x 51 mm)
ADF Maximum Document Size (@ 200 dpi)	9.5" x 236" (241 x 5994 mm)*
ADF Paper Thickness Range	7 – 110 lbs. (27 ~ 413 g/m ²) (auto)
Maximum Card Thickness	0.051" (1.25 mm)
ADF Capacity	100 pages (20 lb., 75 ~ 90 g/m ² paper)
Scanner Dimensions (W x D x H)	12.5" x 8.2" x 7.1" (316 x 207 x 178 mm)
Weight	10.3 lb (4.7 kg)
Duty Cycle	10,000 pages
Supported Operating Systems	Windows 11, 10, 7

Box Contents: Xerox® N60w Pro Scanner, ADF Paper Tray, USB 3.1 Cable, Ethernet Cable, Power Supply and Adapters, Warranty and Technical Support Card, Quick Install Card (Poster), Product Registration and Review Card

*236" maximum paper length requires USB/PC connection and long document mode enabled;
14" maximum paper length for network (non-USB/PC) scanning. Maximum image width 8.5".
