

Environmental Information for Scanners

Warranty, Parts and EPEAT

Xerox pioneered the practice of remanufacturing, reusing and recycling of office equipment. Our machines are designed for easy disassembly and durability, contain fewer parts, and are controlled for chemical content. Go to <https://www.xerox.com/en-us/about/ehs/reduce-waste> for more information.

REPAIR OR REPLACE YOUR PRODUCT

For information on warranty terms & conditions, go to:

<https://www.xeroxscanners.com/en/us/Support/WarrantyTerms.asp>

SPARE PARTS

Spare parts are available for at least five years. To obtain spare parts, go to:

<https://www.xeroxscanners.com/en/us/support/PartsAndAccessories.asp>

PRODUCT TAKE-BACK SERVICE (EPEAT)

Xerox take-back service for products is available at:

<https://www.xerox.com/en-us/about/ehs/reduce-waste>

STANDBY POWER LEVEL

The standby power level of ≤ 1 watt occurs when the scanner is in sleep mode. This occurs automatically.

PAPER STATEMENT

This product allows use of general office paper with renewable content, paper with pre/post-consumer recycled content, and paper that is chlorine free.
